

Buying a home is a big decision. Sleep easier knowing your Sky Seals' inspector is covered by InterNACHI's Buy Back Guarantee. If you discover something within 90 days of close that your inspector missed and didn't put in your report, InterNACHI will buy your home back. That's right...they will buy your home back for what you paid for it. No matter what the purchase price was, no matter how large or small the home.

How can this be true?

Simple. Your inspector is highly trained and certified by InterNACHI, the world's largest association of home inspectors operating in over 50 countries. InterNACHI is so confident in your inspector's training, it backs your inspector's work with

this guarantee. Sky Seals participates in this program as a means of offering you, our client, more value for your money. Happy clients grow and secure our reputation and business. Everybody wins!

How can InterNACHI afford to do this?

If InterNACHI does buy your home back, they fix whatever is wrong, and re-list it for sale. When it sells, if they lose money, they eat it. If they make money, they keep it.
